NEW BUSINESS

Hummingbird Drive & Apex resident meeting. Jon Olson is in attendance

\$883,000 is still the current estimate - per lot estimate split

- Edd Speiss: is happy with the 40% (resident) and 60% (township) split
- Resident wants to know the construction schedule - Jon wants bids done in 2024 and the project to begin first thing in 2025. The township eats the cost of the project and the assessment fees are collected for their portion of the cost. The assessment payments from the residents would need to be paid before November of 2025.
- 2026 is when the property tax would reflect the special assessment.
- Jon is looking into the use of ARPA funds and Megan is connecting him with Troy Gilchrist.

Adjourn 8:21pm
